~~2SM&M SCANS~~ STRIKES AGAIN!

Cue 4minute's song 'C-R-A-Z-Y'! **Paperdolls Project** and **Damn Feels!** once again combined to speed scan another project. This time is a one shot by **Mitsui Haruka-sensei** she's a new mangaka, you might remember her from one of our valentine's release called "**Daisuki no Yukue**". We like her and we always take pleasure in introducing new & new-ish mangakas and this is one we believed to have potential. This time we recruited super speed editor Remi to participate with us instead to work on the speed scan and yes she is really speedy (Gonzales).

IF YOU ENJOY THIS CHAPTER, PLEASE CHECK OUT SENSEI's OTHER WORK (ALSO SCANLATED BY US AS MENTIONED ABOVE: Daisuki no Yukue).

PLEASE DON'T USE OUR SCANS WITHOUT PERMISSION. THIS IS PURELY A FAN WORK AND IS NO WAY INTENDED TO INFRINGE ON ANY COPYRIGHTS.

NOT TAKING RETRANSLATION REQUESTS OKAY GUYS?! POR FAVOR?!

Yo dawg, I heard you can't focus, so I put a focus in your focus so you can focus on your focus while you focus in your focus. Focused on **proof-reading** and **quality checks**.

dollmaker

Get stucked with typesetting and translating again >> Currently her favourite phrases are "I will stab you", and 'mumbo jumbo are like a father to me'. Charlotte likes it when she say "I will stab you'.

remi

Speedy Gonzales in disguise. Charlotte and dollmaker are her fans simply because she is so SPEEDY and her edits are great. Did I mentioned SPEEDY? YES S P E E D Y

I wonder if just one kiss
will be able to change our status quo in this relationship?

Hey Hikaru, what's up?
Rika bumped into me just now with incredible force
What should I do?
Is that why she ran off to escape?
Did you finally make a move?
LOSER
That's not— ah, shut up, Ryota.

Even though I totally didn't have any intention of doing that.
I'm such a scary person.
My body just moved on its own...
Hikaru must be in huge shock.
He's gonna hate me for sure.
I'm the worst.
How should I face him from now on?

Hikaru and I can no longer talk like normal.
What, you're still here?
Wanna go home together?
Eh...
No? Did you make a promise with somebody?
A promise...
There was no such thing...

DESC: FRUIT JUICE

That's—this morning I was just feeling a little off, that's all.
Eh... ahh!
So? Do you feel better now?
Were you worried?
There's no need to hide it.

I've noticed Uemura-san ever since you enrolled in this school.
But I was barely able to stand watching you bravely chase after that person's shadow.
And I've always wanted to approach you.

Eh...
How about we go out this Saturday, just the two of us?
Promise!!
What should I do?
Saturday...
is the day of Hikaru's match.

And I'm sorry for not saying anything.
I was really happy to be kissed by you.
